Revised June 2004

Description

The [Tippit Collection](#) contains photo-illustrated books published predominately in the 20th century (i.e. 1900 and beyond). The collection concentrates on first-edition books and catalogues by a selection of international photographers.

Provenance

Initially purchased from David H. Tippit in August, 1991. It continues to be augmented by purchases and additional gifts.

Restrictions

Photocopying is not allowed. Other restrictions pertaining to individual items may apply.

Access

This three part paper finding guide consists of a list of anthologies, monographs, and serials available at the Special Collections Reading Room desk. As of August 2004 this guide will no longer be updated. The collection's monographs and anthologies have electronic bibliographic records in *Chinook* <http://libraries.colorado.edu/>. Work on cataloging the serials progresses.

Size and classification

As of June 2004, ca. 9,000 volumes, arranged by local accession number, DHT.

Finding Guide for Tippit Photobook Collection

Monographs

Accessed by DHT number.

Monographs are listed by the *name of the photographer*, rather than the author of the work. Monographs are here defined as works by, or about, a single photographer. [Note: Use the Adobe Acrobat “find” command for a key word/name search.]

When filling out a call slip, include the *complete* local accession number, e.g. DHT 154 OVERSIZE.
